Marie Curie

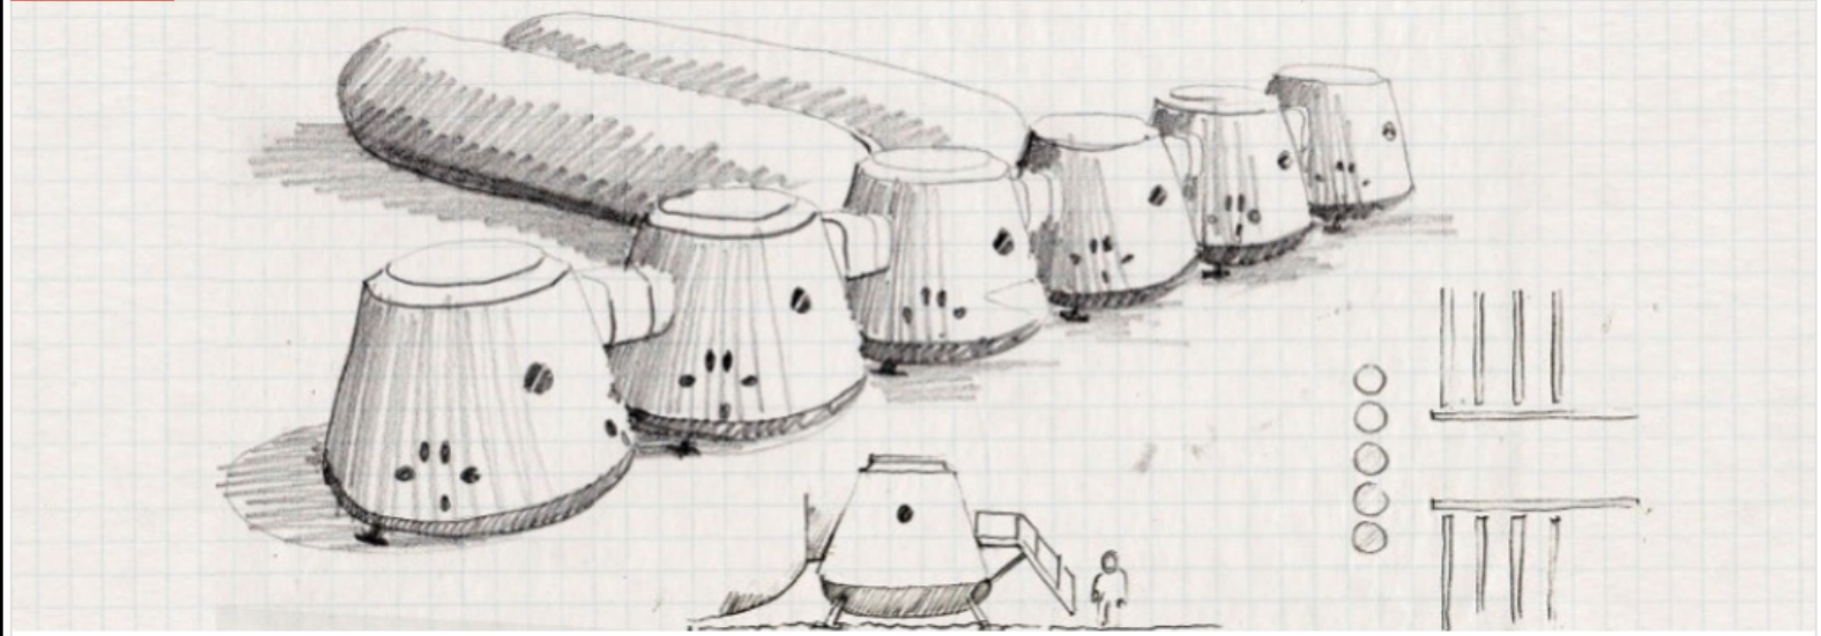

#worthit?

If you could warn Marie Curie about her work shortening her lifespan, how do you think she would react?

Mars One

2011 Mars One Founded	2013 Start Crew Selection	2017 Start of Crew Training	2022 Demo Mission	2024 ComSat Mission	2026 Rover & ComSat Mission	2029 Cargo Missions	2030 Outpost Operational	2031 Departure Crew One	2032 Landing Crew One	2033 Departure Crew Two
------------------------------------	--	--	--------------------------------	----------------------------------	--	----------------------------------	---------------------------------------	--------------------------------------	------------------------------------	--------------------------------------

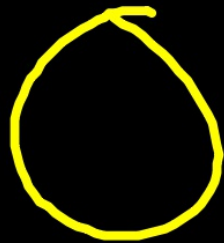

Who are some of the 100 Mars One finalists?

21-63

\$6 bn

\$1 mm

Would you go on a one-way ticket to Mars?

Create your own knowledge question.

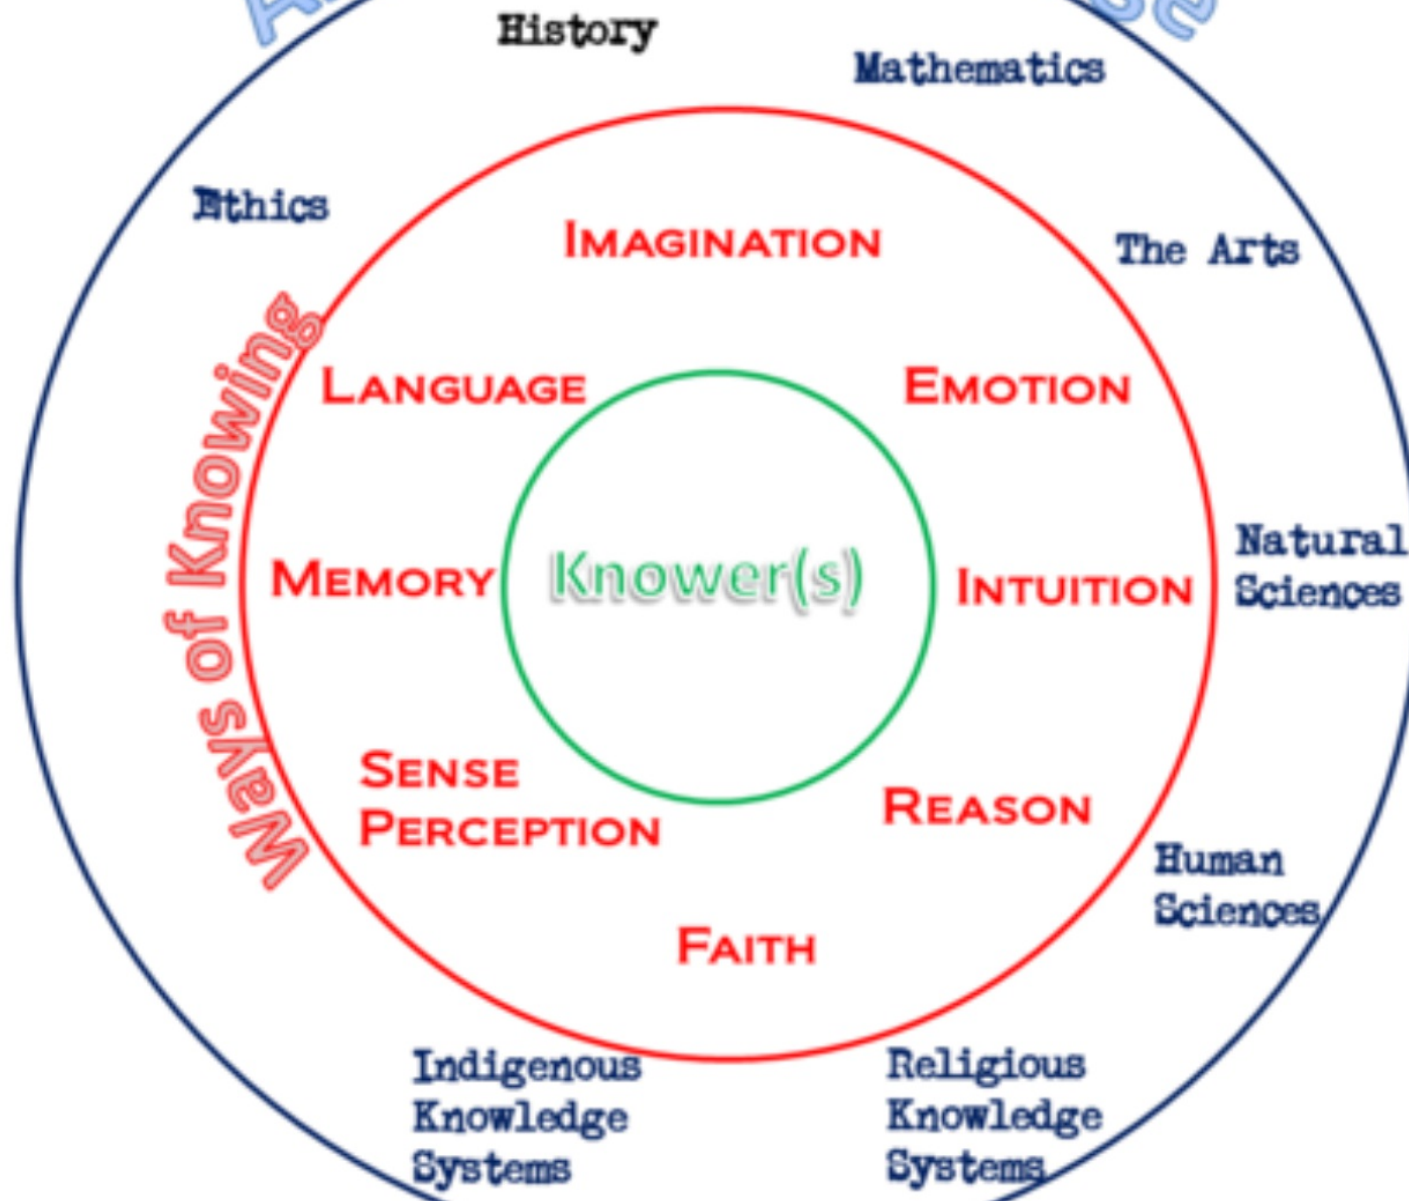

Why does monumental discovery correspond to great personal sacrifice?

*Arguments

*Counterarguments

To what extent does personal sacrifice limit scientific discovery? (Anna D)
