

I

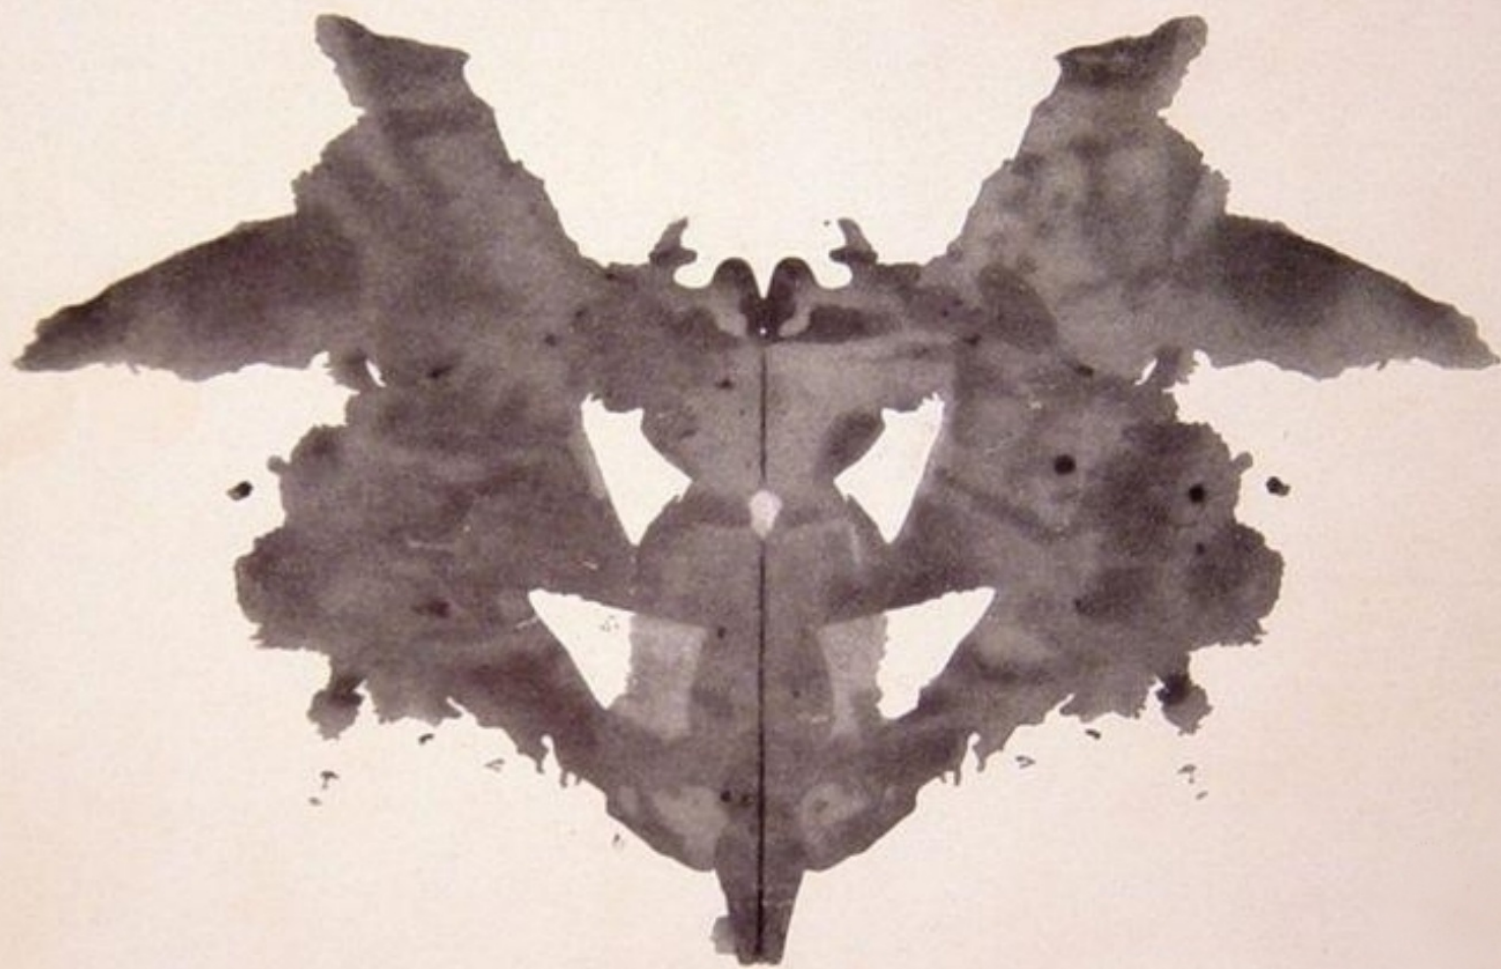

Who is Rorschach?

Hermann Rorschach was an early 20th century psychologist famous for ink-blot tests.

Vassis

Why is there such diversity in a Rorschach test?

- *Diversity of experience
- *People want to find faces and eyes
- *Contrasting focus on black or white
- *Determines focus
- *May indicate mood
- *May indicate mental state
- *We search until we find meaning
- *Trying to give meaning to something that is meaningless

Now let's play word association:

(write the first word that pops into your mind
when you see the following images)

DO NOT READ
Under Penalty
of Law

The world is a Rorschach test.
